District Court of Dallas County, Texas. The judicial efficiency of deciding whether this opposition should be suspended before commencing discovery and other activity also provides good cause to grant this motion. The parties further agree that in the event the Board denies the motion for suspension of the opposition proceeding, Opposer's deadline to respond to Applicant's counterclaim should be reset to fourteen (14) days after the Board issues its written denial. No extension of any other deadline is requested.

Accordingly, Opposer respectfully requests the Board to suspend the March 22, 2016 deadline for Opposer to respond to Applicant's counterclaim pending resolution of Opposer's concurrently-filed motion for suspension of this opposition proceeding, and should the Board deny that motion, further respectfully request the Board reset Opposer's deadline to respond to Applicant's counterclaim to fourteen (14) days after the Board issues its written denial.

Applicant has agreed to the foregoing rescheduling of the deadline as set forth above.
